

Welcome Drs. Neuendorf, Oteng-Bediako, and Masternick

Tracy L. Neuendorf, DO

Tracy L. Neuendorf, DO, Evelyn Oteng-Bediako, MD, and Trinetta Masternick, DO, of Doctors Pain Clinic, now offer full-time pain management services at UPMC Horizon.

Our board-certified specialists now provide patients throughout Mercer County with access to comprehensive pain management care to better manage pain caused by arthritis, bursitis, tendonitis, cancer, carpal/tarsal tunnel syndrome, herniated discs, low back pain, shingles, migraine headaches, and posttraumatic pain.

Evelyn Oteng-Bediako, MD

Dr. Neuendorf, medical director of UPMC Horizon's Pain Management Program and Doctors Pain Clinic, received his medical degree from Ohio University College of Osteopathic Medicine. He completed an internship and anesthesiology residency at Youngstown Osteopathic Hospital; cardiothoracic anesthesiology training at Doctors Hospital North, Columbus, Ohio; and pediatric anesthesiology training at Children's Hospital of Pittsburgh of UPMC and UPMC Presbyterian. Dr. Neuendorf is board-certified by the American Osteopathic Board of Anesthesiology with specialties in anesthesiology and pain management.

Trinetta D. Masternick, DO

Dr. Oteng-Bediako, a board-certified anesthesiologist, earned her medical degree from the University of Ghana Medical School, Accra, Ghana. She completed an anesthesiology residency at the University of Louisville Hospital, Louisville, Ky., and a pain management fellowship at the University of Maryland, Baltimore.

Dr. Masternick received her medical degree from Ohio University College of Osteopathic Medicine. Dr. Masternick, a board-certified physician, has been practicing with Doctors Pain Clinic since 2005 and has a special interest in helping chronic pain patients attain better quality of life.

Our team of pain management specialists are here to help improve the quality of your life. They offer services at two convenient office locations. Physician referral is required.
